Fields are filled by exempt entrants on a first come first served basis

The purpose of this overflow policy is to alleviate the possibility of overages in future events.

Should any 2012 event exceed the 156-168 player field (including Monday qualifier) by more than 6 players

(grey area of 162-174 max) before deadline date the remaining entries will be categorized as follows:

Category 1:

- 1 Any player that had full exempt status prior to the season's start (top 120 members from 2011 money list, top 10% from ranking schools and tour granted exemptions)
- 2 Any Ranking Member that has accumulated over \$3000.00 in earnings and is now exempt
- 3 Any non-Member that has earned \$4,500.00 and accepted membership option
- 4 Top 20 from previous week

Category 2:

SHORT FIELD CUT POLICY

Should a scheduled 168 player maximum field size event have an actual field size of 144 players or less or a scheduled 156 player maximum field size event have an actual field size of 133 players or less, the cut line for that event shall be to the low 35% and ties of the actual field size.

PLAYER ATTIRE

The NGA Tour is proud of its image and its players. Proper on-site attire will only contribute to this image. **Players shall present a neat appearance in both clothing and personal grooming. The Tour Director shall interpret this regulation.**

Jeans, shorts (unless committee authorizes) and T-shirts are not allowed:

- Playing practice rounds
- Using practice facilities
- Playing competitive rounds
- Attending Tour social functions (i.e. Pro Am Parties)
(NO hats, sandals or sneakers.)

CADDY ATTIRE: The professional is responsible for their caddy's appearance. **Shorts are permitted.**

Shoes are mandatory, but no Spikes

CADDY BIBS are required (male/female). Caddy bibs will be supplied by the Tour.

PRACTICE GUIDELINES

The golf course will be available for practice beginning on Monday following the last tee time of the local qualifier. Unless the tournament committee has scheduled a special event (shoot-out, pro-am) the course will be available for practice parts of Monday, Tuesday and Wednesday.

In the case of inclement weather an effort to preserve and/or maintain the playability and condition of the golf course facility, the local facility staff and/or Tournament Committee has the authority to close and/or limit play on any day.

Players may, if approved by the Tour Staff and golf course facility, tee off on #1 & #10 tees for practice rounds. Players may not start on #10 after 9:00 am.

Players will not hit more than one ball to greens or off tees during practice rounds. Do not hold up other players trying to complete their practice rounds.

GROUPS ARE TO BE LIMITED TO FOURSOMES.
VIOLATORS ARE SUBJECT TO DISCIPLINE BY
THE TOUR.

RANGE HOURS

Monday	Noon until 6:30pm
Tuesday	7:00am until 6:30pm
Wednesday - Friday	6:30am until 6:30pm
Saturday	6:30am until 6:30pm
Sunday	6:30am until last starting time

(Range Hours May Vary at each site. It may also be temporarily closed during the day for additional picking and Jr. Clinics). **As daylight permits, the range may remain open later during some events.**

The range facility is available to NGA Tour players and pro-am participants only. Players must cooperate with the closing hours of the range so the balls may be picked, cleaned and readied for the next day. A fine will be incurred if a player does not comply with the facility or tournament staff concerning the closing or temporary closing of the range.

Due to the restricted nature of some facilities, the length and width of the range may dictate the use of irons only or a small number of hitting stations. We appreciate your cooperation when this request is in effect.

One hour prior to the start of each pro-am, the range will be divided into two equal sections: 1/2 for professionals and 1/2 for the amateurs in the pro-am.

PLAYER MESSAGE BOARD

The player message board will be located outside the Tour Trailer. All incoming phone messages will be attached to this board and players are advised to check it daily. Also, the Tour will place announcements pertinent to all players here, as well as Schedules of Events for upcoming tournaments.

SCORING TENT

As players make the turn after 9 holes, they may be asked to provide their scorecards to be recorded for scoreboard use, as well as get a drink and snack for the remainder of the round, if desired. After completion of the round, the players are to bring their scorecards to the tent, sign them, and turn them in to the scoring volunteers. Once the player has turned in his scorecard and left any boundary of the tent, the scorecard is considered official.

The scoring tent is limited to players and their caddies making the turn or completing a round. Other players are not allowed to gather in the tent area while play is in progress.

STARTING TIMES

Starting times will be posted at the following locations:

- Pro Shop/Club House
- NGA Tour Trailer
- Host Hotel
- www.NGATOUR.com

Starting times for Thursday/Friday rounds will be available by 5:00pm on Tuesday. Round 3 & 4 tee times available one (1) hour after completion of the second round. (see pairing procedures)

OFFICIAL TIME

The Tournament Committee will establish the *Official Time* by calling 303-499-7111.

The clocks on the starting tees are the “OFFICIAL TIME”. An inaccurate time on any other clock, **is not an excuse for late to the tee.** The responsibility of being ready to play at the appointed time lies solely with the individual player.

LATE TO THE TEE

Rule 6-3 Provides: “The player shall start at the time laid down by the Committee.” The NGA Tour incorporates the Note under 6-3 that allows the player to be up to 5 minutes late with a 2 stroke penalty. After 5 minutes, he shall be disqualified. A player must be present and **Ready to Play** (present on the teeing ground with a club and ball) when the 1st player of the group is **instructed to play.** The order of play is not relevant.

PACE OF PLAY

Slow Play

Rule 6-7 states, in part: “The player shall play without undue delay and in accordance with any pace of play guidelines which may be laid down by the Committee.” The following pace of play guidelines and slow play penalties and fines, except during match play competitions, have been adopted.

15.1. Definition of “Out of Position”

The first group to start will be considered out of position if, at any time during the round, the group exceeds the time allotted per hole, as detailed on the applicable course’s Local Rules Addendum.

The second and third groups, and additional groups as determined by the Rules Committee when play is in pairs, to start will be considered out of position if, at any time during the round, they (a) exceed the allotted time to play and (b) reach any place where there is an open par-3 or par-4 hole, or when the preceding group is on the putting green of a par-5 hole when the group in question is on the teeing ground.

Any subsequent group will be considered out of position if, at any time during the round, they reach any place where there is an open par-3 or par-4 hole, or the preceding group is on the putting green of a par-5 hole when the group in question is on the teeing ground.

15.2. Monitoring Groups

It is the responsibility of each player to be aware of his group’s position on the golf course. **Rules Officials ARE NOT required to warn groups prior to being timed.** A group will be subject to being timed until back in position with the group ahead or back on TIME PAR.

15.3. Fines and Penalties

Any player in a group out of position will be subject to being timed. **Any player who exceeds the allotted time to play a stroke on the players first offense of the year will be given a WARNING and will be fined and/or penalized for any further bad times for the remainder of the season in accordance with the schedule below.**

15.4. Schedule of Fines and Penalties during a Round

First Offense:

One timing exceeding the allotted time to play a stroke -- \$50 fine.

Second Offense:

One more timing (a total of two) exceeding the allotted time to play a stroke – One stroke penalty and \$100 fine.

Third Offense:

One more timing (a total of three) exceeding the allotted time to play a stroke – one stroke penalty and \$200 fine.

Subsequent Offense:

One more timing (a total of four) exceeding the allotted time to play a stroke- Disqualification

If a group, out of position and/or over time par, is given a set number of holes to regain its position; fails to do so within the allotted time, the group will be timed and each player in the group will be given a strike for that round. If the group regains their position within the allotted time and then subsequently falls out of position, they will immediately be timed during that round.

When a group is timed, it will be cataloged by the Tour Director. Each player in the group will receive a strike for that round. Once a player accumulates a total of seven strikes for the year, he will be deemed to be in violation of the Pace of Play Policy, and will be fined \$100.00 for that violation. Players in the penalty phase of this policy will be fined an additional \$50.00 for each subsequent strike. In addition, individuals who reach the penalty phase of this policy (seven strikes) are subject to being timed at any point during their rounds, regardless whether their group is in position.

All Strikes and Bad Times will be posted on the Player Message Board.

***All fines should be made payable to the Wounded Warrior Project**

15.5. Timing

The timing of a player's stroke will begin when it is his turn to play and he can play without interference

or distraction. Any time spent determining yardages will count as time taken for the next stroke.

On the putting green, timing will begin after a player has been allowed a reasonable amount of time to mark, lift, clean and replace his ball, repair his ball mark and other ball marks on his line of putt and remove loose impediments on his line of putt.

A player will have 40 seconds to play a stroke when being timed.

NOTE: An extra 10 seconds will be allowed for:

- A. The first player to play a stroke on a par-3 hole
- B. The first player to play a second stroke on a par-4 or par-5 hole (when attempting to reach the putting green)
- C. The first player to play a third stroke on a par-5 hole
- D. The first player to play on or around the putting green

NOTE: In the administration of the Pace of Play Guidelines, a member of the Rules Committee shall not tolerate abuse, oral or otherwise, by a player. Such abuse constitutes conduct unbecoming a professional.

If it is clearly visible to a NGA TOUR OFFICIAL that a player or players are repeatedly exceeding the allotted time to play a stroke, that player or players pace of play may be monitored even though the player or player's group is not out of position. A player being monitored under these conditions will be fined \$50 if he exceeds 50 seconds to play a stroke three times during the play of a hole, or four times over two consecutive holes. Bad times received under this part of the policy are not applied elsewhere.

15.6. Appeals

Any appeal of a penalty and fine must be referred to the Tour Director immediately upon completion of the player in question's round. The Tour Director's decision shall be final.

PACE OF PLAY SUPPLEMENT

If a group, over time par and out of position, is given a set number of holes to regain its position; fails to do so within the allotted time, each player in the group will be fined \$20.

SUSPENSION OF PLAY DUE TO DANGEROUS SITUATION

When play is suspended for a dangerous situation, if the players in a match or group are between the play of two holes, they shall not resume play until the Committee has ordered a resumption of play. If they are in the process of playing a hole, they shall discontinue play immediately and shall not thereafter resume play until the Committee has ordered a resumption of play.

Penalty for breach of this rule is DISQUALIFICATION

All practice areas shall be closed during suspension for a dangerous situation until the Committee has declared them open for use.

Signals for Suspending and Resuming Play

- Suspend Play: Several short intermittent blasts from a horn or siren
- Resume Play: Two (2) intermittent blasts from a horn or siren
- Suspension Due to Immediate Danger (Lightning, Tornado, etc.): One (1) continuous blast from a horn or siren

PLAYER EQUIPMENT

To help ensure that players competing on the Tour use equipment which conforms with the USGA Rules of Golf, players are encouraged to:

- * Confirm with equipment manufacturers that new equipment or samples have been approved by the USGA.
- * Have any altered or unusual clubs checked out by a Tour Rules Official before tournament use.
- * Verify that the ball chosen to be played is on the USGA's Conforming Golf Balls list.

If a player fails to submit his equipment prior to competition, he assumes all risk of a ruling should the equipment NOT conform with the USGA Rules of Golf. Additionally, if required by a tour official, a player is obligated to surrender any equipment if it is determined that additional off-site testing is necessary to rule on conformity. Failure to do so will result in disciplinary action.

GROOVE POLICY

ALL Pro Series players will have to abide by the USGA standards with all clubs 25 degrees and higher

SUSPENSION AND DELAYS

When sufficient daylight remains, and the length of a delay warrants, players will be given a minimum of 15 minutes after a delay or suspension to warm-up and resume their position on the golf course. In some situations, preparation time may be reduced or negated by the tournament committee.

MOBILE TELEPHONES

A mobile phone may be used to call in rulings to the Tour Trailer or Pro Shop. The numbers will be listed on the Local Rules Sheet. Any other use of a cell phone during the stipulated round will result in disciplinary action and possible DISQUALIFICATION. (Use is defined as the phone being on at any time during the competition)

REDUCTION OF ROUNDS

The goal of the NGA Tour is to complete four-round, 72-hole events. The tournament committee and players will make their best effort to complete each round and tournament as scheduled. After exhausting all feasible options, the tournament committee may suspend or cancel a round (Rule 33-2d) in the event unplayable conditions occur. Play will resume when conditions improve, even if the round cannot be completed

that day. a.) *Play may resume the following day, to include completion of the next scheduled round if daylight permits.* b.) *When daylight does not permit, the suspended round may be completed the next available day. Thus, one round might be completed over a two to four day period.* A minimum of 36 holes must be completed for an event to be considered official. If less than 36 holes are completed, 100% of the entry fees will be returned to the participants.

Based on course availability and distance to the next tournament site, the tournament may be concluded on Monday.

PLAYOFFS AND TIES

The only ties which will be broken by a playoff are those to decide first place. All other ties will remain as ties and the purse for those positions will be divided equally. A sudden death playoff will immediately follow play on a hole or holes chosen by the Tournament Committee.

PRIZE MONEY DISTRIBUTION

The NGA Tour will pay the top 55-65 and ties after each completed event. Prize checks will be available on site the following Wednesday after 3PM.

If a player chooses to have his check sent to an address in lieu of picking it up, there will be a sign up sheet available in the Scoring Tent following play on Sunday. The check will be mailed within 10 days from the Tour office to your listed address. **No check will be distributed without a W-9 on file.** Foreign players must complete a W-8 BEN and according to IRS regulations, taxes will be withheld at 30%. Be sure your check is endorsed when depositing

IT IS THE PLAYER'S RESPONSIBILITY TO KEEP THEIR ADDRESS UPDATED WITH THE TOUR OFFICE.

*** CHECKS NOT PICKED UP BY THE END OF CURRENT YEAR WILL BE FORFEITED (DEC 31, 2012)**

PAIRING PROCEDURES

Pairings for first and second rounds of the first two (2) tournaments will be done randomly. Rounds 3 & 4 are paired by score. All remaining tournament's first and second round pairings are grouped based on the OFFICIAL MONEY LIST. The actual groupings are established by computer. These will be available after 5:00pm on Tuesday. Third and fourth round pairings are by score. These will be available approximately one hour after completion of round 2.

No requests will be taken for tee times. Players are asked to please respect this procedure.

PRO-AMS

The NGA Tour's policy regarding pro-am participation is as follows: Players for the Pro Ams will be chosen from the money list two weeks prior to the event (leading money winner on down and by special sponsor's request).

A player list will be posted the Thursday prior to the Pro-Am to inform players who will be participating. Players will be allowed to miss four (4) Pro Ams and you must notify the Tour Director by the Friday prior to the tournament week. NO EXCEPTIONS! Either all pros will ride or all will walk, depending on the event, no exceptions.

PAIRINGS PARTY ATTENDENCE IS MANDATORY.

Failure to attend the pairings party is a finable offense. The first offense will be a \$50 fine and removal from the pro-am. Any offense thereafter will result in disqualification from that week's golf tournament. All professionals are expected to comply with the dress code of the NGA Tour for the pairings party and the pro-ams. Also, members are expected to treat their amateur partners in a professional and hospitable manner. Unless otherwise notified, ONLY those players participating in the pro-am are invited to the pairings and cookout parties.

Those professionals not participating in the pro-am must comply with the facility's guidelines and

maintenance schedule upon Wednesday practice rounds. Some tournaments will have a double shotgun pro-am and will occupy the course for the entire day. Members only will be paid for Pro-Ams, and only at selected events unless a pro purse has been set up, in which all or a portion of the purse will be allocated. Players without a team, will not be paid.

PRO-AM FIVE HOUR RULE

In order to keep the Pro-Am manageable for the Food and Beverage staff and to allow the maintenance staff proper time to prepare the golf course for tournament play, the NGA Tour will place a time limitation on Pro-Am's similar to those imposed by other major tours.

A horn will sound to begin play once the teams have reached their designated holes, five (5) hours from that time another horn will sound. If a team was the first to play from a tee (example: #3A), that team may finish the hole they are on. If a team was the second to play from a tee (example: #3B), they will finish the hole they are on and then play the next hole. A team will be given a par for any hole that is not completed. Time elapsed during a weather delay does not count against the 5 hour limit. *** **(Exception: The 5 hour rule may be waived at certain contracted events)**

EIGHTY – SIX (86) RULE

Any player posting a score of 86 or higher in the first round of competition will be withdrawn from that event without refund.

JUNIOR CLINICS

Junior clinics will be held on Tuesday's at 4:30pm unless otherwise scheduled. Each clinic will have 2-12 NGA Tour Professionals participate. Professionals will be chosen by Tour Director the week prior to the clinic. The names for each clinic will be posted on the player message board.

Every NGA Tour member will be chosen once

during the season to help with a clinic. It is the responsibility of every player to attend the clinic for which they are chosen to participate. Players failing to attend are subject to discipline by the Tour Director and will be chosen for 2 future clinics.

DISCIPLINE, PENALTIES AND APPEALS

Any player and/or his caddy that shall be deemed guilty of conduct unbecoming a Golf Professional while participating on the NGA Tour or activities related thereto shall be subject to fine or suspension from tournament play.

The NGA Tour Tournament Committee is authorized to impose penalties from a **minimum fine of \$200 to a maximum fine of \$500** for the first offense, and suspension from tournament play for the second offense, for any of the following violations:

1. a. Alcohol abuse at any Tour function
b. Alcohol consumption during play
2. a. Club throwing/club breaking
b. Profanity
c. Littering or damage to course or property
3. Gambling in clubhouse
4. Any type of jeans or shorts (see Player Attire)
5. Violation of Golf Cart Regulations or Golf Cart Etiquette (i.e. Parking on slopes of greens/ tees and *not returning the carts before Pro-Am deadline*)
6. Other conduct deemed by the Tournament Committee to be unbecoming a golf professional
7. Public Attacks
8. Attendance at “participant only” functions by uninvited players and/or caddies

Players observing conduct unbecoming a Golf Professional by a fellow competitor, not necessarily within his grouping, should report the action to a tournament official. If the official can verify the action through other witnesses, penalties may be imposed without physically seeing the action.

A player may appeal disciplinary action taken by the Tournament Committee in accordance

with the provisions above. Such appeal shall be in writing and may include defenses of mitigating circumstances, including written statements of witnesses.

Appeals will be reviewed by at least two members of the Tour Staff and two members of the Player Board*. Such an appeal must be in writing and must be received by the Tournament Committee Chair or Tour Director within two (2) days after notice of such disciplinary action is given to the player.

Fines are due and payable prior to the next tournament unless a written appeal has been made. Should the appeal be denied, the fine will be deemed payable prior to start of next round played. The player will be ineligible for any NGA Tour competition thereafter until such fine is paid.

MEDIA COMMENTS: PUBLIC ATTACKS

A favorable public reputation of the NGA Tour, its affiliated tournaments and co-sponsored events is

a valuable asset and creates tangible and intangible benefits for the NGA Tour and all Tour members. Therefore, it is an obligation of the membership to refrain from comments that attack or disparage the NGA Tour, tournament sponsors, tournament venues, volunteers or fellow competitors. Legitimate disagreements with the aforementioned must be handled with Tour officials privately. Any such public attack will be viewed as conduct unbecoming a professional, which is a finable offense.

Players should call the courses at least three weeks in advance to be placed on the housing list. The Tour does not guarantee player housing. A volunteer housing coordinator at each site will then match up the player with a host family if available. Housing requests are taken on a first come, first serve basis. Housing is considered a bonus. If a complaint is received in regard to a player's behavior while in housing, the player is subject to loss of housing privileges for the remainder of the tournament season and subject to disciplinary action.

- The 2012 Board will consist of three (3) player representatives selected by the players and four (4) player representatives selected by the Tournament Committee. The voting for this year's players board will take place on April 27, 2012. The Committee reserves the right to replace Board members throughout the season.
- Players wanting to be considered as an appointee to the Board should notify the Tour Director by completion of play April 20, 2012. (Final round of Seneca)
